FIREWORK SAFETY

The last several years the City Police Department has been noticing an increase in complaints concerning fireworks.

As per Ashton City Code section 8.12.010., the City has adopted the Idaho State Code on fireworks (title 39, chapter 26).

This code allows citi-

zens to use "Nonaerial common fireworks" which are fireworks that do not fly or emit sparks outside a 20 foot diameter circle or higher than 20 feet.

Firecrackers are prohibited.

The City police are asking citizens to be mindful of their neighbors and to be cautious around any fire haz-

ards. They are also encouraging parents to be watching their kids closely while handling fireworks.

Let's celebrate the Fourth of July safely!

We will be enforcing these laws this year.

Thank you!

I just want to thank all the volunteers for all their efforts for our community. The Fourth of July breakfast, pa-

rade, fireworks and the eclipse this summer will be great because of the volunteers.

We couldn't do it without our volunteers.

Have a happy and safe 4th of July,

Mayor Teddy Stronks

CHAMBER SPONSORS 4TH OF JULY

Many citizens are confused about what the difference is between the City of Ashton and the Ashton Area Chamber of Commerce. Many think that these organizations are one and the same. That is not correct.

The City of Ashton is a municipal corporation organized for taxing authority to provide for city services

such as parks and street maintenance. City utilities such as water and sewer services are paid for by user fees. All City dealings are regulated by the State of Idaho. The Ashton City Council is made up of elected officials and meets every second Wednesday of the month.

The Ashton Chamber of Commerce is an organization of local businesses formed to promote business in the Ashton community. The Chamber is responsible for many local events.

The City of Ashton is a member of the Chamber. The City of Ashton does not sponsor events but does participate in some of the Chambers events such as the Chamber's 4th of July Parade on Tuesday. The City will also be providing police assistance for the parade and other activities.

The Ashton Area Chamber of Commerce has flyers up in several locations listing the events for the 4th of July celebration.

The City wishes everyone a happy 4th of July!
